SUMMER ISSUE

JULY 2025

PRESIDENT'S GREETINGS

Dear Members and Friends of SVGAT,

Summer is in full swing, bringing vibrant energy to the Vincentian community in Toronto. The Father's Day Boat Cruise, held in partnership with the Toronto SVG Sports Club, was a joyful celebration of music, laughter, and togetherness.

At our June General Meeting, we had an inspiring discussion on diaspora investment in St. Vincent and the Grenadines by Vincentians in the diaspora. The strong turnout and engagement reflect our shared commitment to building connections and making a meaningful impact back home.

Don't forget to join us for the Splash of Blue Boat Cruise on Friday, August 8th, in partnership with the Toronto SVG Support Group. Tickets are on sale now—don't miss out!

And of course, the highlight of the summer, the Vincy Unity Picnic at Crysler Park in Morrisburg is shaping up to be a spectacular event, featuring performances by Fya Empress, Bomani, Black Ebou, and Yellows set to energize the stage and ignite our Vincy pride.

The SVGAT Scholarship Application is now open—let's continue supporting our youth through education. The Annual Walkathon is coming up this September, and every dollar raised goes directly to the scholarship fund — let's walk with purpose!

Looking ahead to the fall, we are excited to celebrate Independence in grand style, but with a major shift this year. Instead of a Saturday evening gala, we will host a more inclusive and family-friendly Independence Luncheon on Sunday, October 19th at Parkview Manor. We believe this new format will allow more families — including elders and young children — to participate and celebrate this significant milestone in the history of our beloved St. Vincent and the Grenadines.

As always, thank you for your continued support, your passion, and your commitment to the community. Together, we continue to build a stronger, more connected Vincentian diaspora.

Warmest regards,

Cordel Telfer, President
St. Vincent and the Grenadines Association of
Toronto Inc.

REPORT ON FATHER'S DAY BOAT CRUISE

On Sunday, June 15, we could not have asked for better weather for a boat cruise around the Toronto harbour. Under bright, abundant sunshine, patrons enjoyed a scenic cruise through areas of the harbourfront many had never seen before.

The Father's Day Boat Cruise was organized in response to requests for more events that cater to individuals including seniors who prefer daytime outings. The event concluded by 5:00 p.m., allowing attendees to return home safely in daylight after enjoying an afternoon of picturesque views, lively entertainment, and the chance to connect and build new friendships.

Unlike in 2024, when cool and windy conditions kept patrons inside the vessel, this year's favourable weather encouraged many to spend more time on the deck taking in the fresh air and beautiful views.

Unfortunately, for the second consecutive year, attendance was significantly lower than anticipated, resulting in a financial loss for the event.

The Board of Directors of the St. Vincent and Grenadines Association of Toronto (SVGAT) sincerely thanks the SVG Sports Club – Toronto for partnering with us. We are also grateful to all those who supported the event.

SUCCESSFUL FOOD DISTRIBUTION EVENT SUPPORTS HUNDREDS IN TORONTO

On Saturday, July 5, three Vincentian organizations in Toronto—SVGAT, the Toronto SVG Support Group, and CARI-ON SVG Disaster Preparedness—collaborated to host a Food Distribution Event at Rosewood Church of the Nazarene in Scarborough. The initiative provided free groceries to around 350 individuals and families.

The day began at 7:00 a.m. as volunteers unloaded a truck from Harvest Hands, filled with food donated by farmers from Southern Ontario. Volunteers sorted and packed the food for distribution by noon.

The event stood out for its unity and community spirit, with volunteers from the SVG groups and Rosewood Church working together to support those in need.

Support came from Durham Community Action Group and Harvest Hands, who helped secure quality food donations.

Thank you to all who contributed, volunteered, or helped spread the word—your efforts made a real difference.

UPDATE ON THE ADOPT-A-CHILD PROGRAM

Just over a month ago, in May, another student was added to the SVGAT's **Adopt-A-Child Program**, bringing the total number of sponsored students in the 2025 – 2029 cycle to 13 across primary schools in St. Vincent and the Grenadines.

The newest addition is **Micah Charters**, a student from the Layou Government School, sponsored by an anonymous family for a five-year term ending in 2029, as long as the student remains enrolled in primary school. It's important to note that the program selects recipients based on need, not academic performance. A key expectation for each student is **punctual and regular attendance**, giving them the best opportunity to benefit from the education and guidance offered.

Current participating schools and students in the program include:

- **Barrouallie Anglican** – Alexis Solomon
- **Belmont Government** – Kaylee Baptiste
- **Bequia Anglican** – Markel Harris
- **Evesham Methodist** – Akira Browne
- **Fitz Hughes Government** – Koice Castello
- **Georgetown Government** – Keranique Ryan
- **Kingstown Anglican** – Imaga Toney
- **Layou Government** – Micah Charters
- **Lowmans Windward Anglican** – Olivia Phillips
- **Mary Hutchinson Primary** - Kaidon Laborde
- **Owia Government** – Deron Medica
- **Rose Hall Government** – Zanner Williams
- **School for Children with Special Needs - Kingstown** – Glendeen Douglas

Since its inception in **2008**, schools have been selected in **five-year sponsorship cycles**. The current cycle, **2025–2029**, has the highest number of sponsored students to date. Unless a sponsor specifies a particular student or school, primary schools are chosen via a **lottery system**

All publicly funded primary schools are entered into the draw according to their district. Once selected, a school is not eligible for the next cycle until all **66 public primary schools** have had an opportunity. Please note that **private schools are excluded** from the draw.

When a school is selected, its principal is contacted and asked to form a school/community-based committee. This committee identifies a suitable student based on need, oversees the administration of monthly support, and reports back to the SVGAT on the student's progress throughout the sponsorship period.

The cost to sponsor a student for five years is CAD \$720.00 annually, totaling CAD \$3,600.00. Those interested in sponsoring a student are encouraged to contact the Association's executive by email at secretary@vincytoronto.com.

The board of directors and members of the Association herewith takes the opportunity to once again sincerely thank all sponsors for helping the selected students to prepare for their future.

PROBLEM CHILD WINS!

Shertz “Problem Child” James dominated Vincy Mas 2025’s Road March, claiming both first and second place with his electrifying hits *Fraid Horn* (100 points) and *Pong Pong* (97 points), a rare and powerful statement of his musical influence. His tracks weren’t just popular—they commanded the carnival, energizing the streets of Saint Vincent with irresistible rhythm and authenticity. Esron “Spielberg” Culzac’s *Red Button* took third with 74 points. This back-to-back victory, following his 2024 win with *Carnival Jumbie*, cements Problem Child’s reign in soca and sets the stage for a potential triple win in 2026.

VINCENTIAN LITERATURE

The CARICON Prize is an annual literary award honoring exceptional works by Caribbean authors and storytellers across the Caribbean and the diaspora. It celebrates books that exemplify powerful storytelling, cultural relevance, and literary innovation—spotlighting voices that explore the richness, complexity, and evolution of Caribbean identity and experience. Linzey Corridon, a Vincentian-Canadian poet and critic’s first book project entitled *West of West Indian* was recently shortlisted for the award.

“*West of West Indian* is a book of poems rooted in my experiences of island space and time. This book would not exist without my continued exposure to a myriad of complex Vincentian quotidiens shaping our worlds on a macro and micro level. And I am grateful to have the renewed opportunity to further platform narratives grounded in my understanding of home.”

Linzey’s book can be purchased on Amazon and at Indigo.

Full free movement to be implemented in October

Four CARICOM countries—Barbados, Belize, St. Vincent and the Grenadines, and Dominica—will implement full free movement of nationals by October 1, 2025, advancing regional integration under the CARICOM Single Market and Economy (CSME). This move allows skilled workers, services, capital, and businesses to operate freely across these member states without permits or restrictions. Announced by CARICOM Chairman and Jamaican Prime Minister Andrew Holness at the 49th Heads of Government meeting, the decision reflects a push to accelerate CSME implementation. While Jamaica has faced legislative delays, Holness reaffirmed its commitment and highlighted new skilled categories added to the free movement list, including aviation and maintenance personnel. The initiative, under the 2023 Protocol on Enhanced Cooperation, is a major step toward CARICOM's 2030 integration goals and will be further evaluated at the upcoming CARICOM-Africa Summit in Ethiopia.

Jamaica signs Afreximbank- CARICOM agreement

Jamaica has become the 13th CARICOM member to join the partnership agreement with the African Export-Import Bank (Afreximbank), unlocking an additional US\$1.5 billion in financing for the Caribbean and bringing the total to US\$3 billion. The agreement, introduced in 2022, aims to strengthen trade and investment ties between Africa and the Caribbean. Signed during the 49th CARICOM Heads of Government meeting, the move was hailed as a transformative step by Afreximbank officials, who emphasized its potential to support SME growth and deepen financial engagement. Jamaica's Prime Minister Andrew Holness stressed the need to move from signing to action by implementing mechanisms such as local currency settlements, regional stock cross-listings, and harmonized trade standards.

THE CCAC SCHOLARSHIP & BURSARY PROGRAM

The Council of Caribbean Associations–Canada (CCAC) is offering two full-tuition scholarships in 2025—one each from Seneca Polytechnic and George Brown College—along with five bursaries of \$1,000 each for up to three years, depending on the recipient’s remaining time in school. These awards are open to international students residing in Ontario, and the application deadline was June 30.

The CCAC Scholarship Program was launched in 2012, initially awarding two bursaries of \$1,000 to students of Caribbean descent attending trade schools, colleges, and universities in Ontario. Since then, the number of bursaries has varied each year depending on available funds, with a record of 11 bursaries awarded in 2023. To date, 53 students have benefitted from this initiative.

In 2023, CCAC partnered with Seneca Polytechnic to offer its first full scholarship of \$6,000 per year for up to four years, in addition to regular bursaries. In 2024, George Brown College joined the program with a matching offer, providing another \$6,000 annual scholarship for up to four years. That same year, the bursary structure shifted to allow five recipients to receive \$1,000 per year for up to three years, depending on their academic timeline toward a degree or certificate.

To support the program, CCAC will host a **Walk for Education on Saturday, August 16**, where members from each Caribbean association will raise funds through sponsorships. The goal is to raise over \$10,000, some of which will be allocated back to individual organizations’ scholarship programs. Community members are encouraged to support by sponsoring a walker or joining the walk themselves. For more information, visit www.caribbeancouncilcanada.org.

IMMIGRATION MATTERS

BEWARE OF IMMIGRATION SCAMS

Contributed by: Sandra Sutherland, RCIC-IRB

As the United States appear to become increasingly unwelcoming to immigrants, Canada is viewed as a more desirable destination. This growing demand has made foreign nationals, particularly those desperate to secure permanent resident (PR) status, vulnerable to immigration scams.

Most scams originate from unauthorized individuals posing as legitimate representatives and preying on people's vulnerabilities. Some authorized representatives may have agents in Canada or abroad who masquerade as "consultants," trying to lure potential clients with appealing promises. Though these agents may be affiliated with authorized representatives, they are not necessarily qualified, nor are they accountable for the advice or services they offer. The same caution applies to travel agents offering immigration services.

Over the past several months, I have received numerous calls and emails from individuals trying to verify information they've seen or heard via social media platforms such as Facebook, YouTube, and TikTok, or from dubious websites and advertisements. Many of these sources falsely portray the immigration process as fast, simple, and guaranteed. Misleading claims include:

- A work permit will assure permanent residency
- A job or job offer will automatically lead to PR status
- Easy opportunities to study or work in Canada
- That undocumented workers can easily gain permanent residency

- The existence of a regularization program for undocumented persons
- Guaranteed PR for skilled workers
- Free applications to Canada

Be wary of language that sounds too good to be true such as "guaranteed" or "free." The use of "will" rather than "may" is a red flag. These tactics are designed to seduce vulnerable applicants into making emotional, ill-informed decisions. As the saying goes "If it sounds too good to be true, it usually isn't."

There have been increasing reports of:

- Positive Fraudulent LMIA (Labour Market Impact Assessments) and job offers being sold
- False documents being used to secure entry into Canada
- Individuals applying pressure for quick decisions without a proper retainer/service agreement
- Requests for large upfront payments without any legal documentation or signed retainer/service agreement
- Note: Some websites appear to be official government sources but are actually privately run companies that charge for services. Always ensure you're dealing with legitimate information by starting at Canada's official website: www.canada.ca.

Rumors continue to circulate about a general amnesty for undocumented immigrants in Canada. As of this writing, Immigration, Refugees and Citizenship Canada (IRCC) has not announced any such policy. There are pilot programs and temporary public policies for certain high-demand sectors (e.g., healthcare, agriculture, construction) to help undocumented workers in certain occupations transition to permanent residency - but these are limited in scope and availability.

The Canadian government has reduced immigration targets for both temporary and permanent residents for 2025 and 2026. With higher competition and lower intake, eligibility requirements will tighten, refusal rates will rise, and unfortunately, scammers will become even more sophisticated.

How to Protect Yourself: Use only authorized immigration representatives. They are trained, regulated, and accountable and can enable a person to make informed decisions regarding their immigration matters. You can verify someone's credentials through the IRCC website: [Check if your representative is authorized](https://www.canada.ca/en/immigration-refugees-citizenship/services/immigration-citizenship-representative/choose/authorized.html) or copy the URL address <https://www.canada.ca/en/immigration-refugees-citizenship/services/immigration-citizenship-representative/choose/authorized.html>

DID YOU KNOW....liberated

Africans who were rescued off the coast of Africa after slavery was abolished were relocated to St. Vincent if their families could not be found and they lived and worked on former estates such as Calliaqua, Diamond, and Reform and were baptized in the Anglican church. They were a mix of young and old and were from various west African countries.
